Hello Nicholas and Simon,

Sorry resending with a clarification as marked in red below.

Can you please also reply at your earliest convenience. I do need to respond to the carrier by noon tomorrow to confirm OK to proceed with bind.

My apologies for the delay. I have been working through some items with the carrier that I need to review with you now.

The corrected address had been provided to our wholesaler RPS, but was not provided to the carrier until coverage was requested to be bound. The carrier has updated the D&O to reflect the state of FL for rating purposes and this did increase premium. I have been trying to get credits on this to match original pricing but the carrier will not budge.

RPS is able to reduce their fee from $200 to $100, which helps offset the increase a little bit.

The total premium including tax/fees on the D&O has increased from $798.93 to $820.13.

~~Any over payment to First Insurance Funding will be refunded~~. – The additional premium, $21.19, will be invoiced via First Insurance Funding.

Can you please confirm OK to proceed with the bind for the 11/14/25 effective date?

Thanks,

Angie Mascaro CLCS

Hi Angie,

Just completed signing the Gallagher Proposal Letter via Adobe Sign; I was now able to see the accept/reject options and signature field. Between that and the Carolina Casualty application I sent earlier, I believe everything is submitted on our end.

Let me know when you're ready for payment and I'll watch for the First Insurance Funding email!

Thanks,
Nick

Thank you completing. Though, I am sorry I am not sure what happened to the fields on the Gallagher Proposal Letter. I will need to resend this one again via Adobe with the proper fields activated.

Sending this again now, please let me know when you receive if you are still not seeing accept/reject options and a signature field.

Also, please note the carriers will likely not backdate to October for a true effective date of coverage on the policy, but will still honor the full prior acts.

Thanks,

Hi Angie,

Great, thanks!

I've completed and signed the Gallagher Proposal Letter via Adobe Sign (just received the confirmation).

I've also completed the Carolina Casualty Nonprofit ExecShield Insurance Application (NP-NEWREN-0417) and attached it to this email. A few notes on the application:
- I left the Producer Information section blank for you to fill in (agency name, your name, license number, date)
- I answered "No" to all loss history questions (we have no prior claims or issues)
- I explained in the Additional Space for Responses that we incorporated in April 2025 but began operations in June 2024

I believe that covers:
- Client Authorization to Bind (signed via Adobe Sign)
- Effective Date confirmed (10/13/2025 for D&O, 10/7/2025 for CFC)
- Terrorism coverage accepted (via Adobe Sign)
- Carolina Casualty Application completed (attached)
- No Claims Declaration signed (via Adobe Sign)

Once you have everything you need, I'm ready to complete payment when First Insurance Funding sends the link!

Thanks,
Nick

What I'm asking about are the Carolina D&O Declarations, the one with numbered Items that Specimen.pdf references. Do you have that D&O Declarations page? Or will that only be generated when the binder is issued? (Or did I somehow miss it?)

On everything else, we're good to move forward! I understand D&O has defense costs outside the limit and CFC has them inside. I'm comfortable with your confirmation that the binders will show full prior acts (June 1, 2024) for both policies, so no need to request revised quotes.

Thanks,
Nick

Hi Angie,

Thanks for sending over all the binding documents and policy forms! I've been reading through everything and I'm confused about several things.

Defense Costs

I'm seeing some seemingly conflicting information about defense costs and I need help understanding what's actually in our policies.

For the D&O policy (Carolina Casualty):

- Both Quote.pdf and the Carolina D&O quote section of the Gallagher proposal letter say: "This quote includes unlimited defense costs OUTSIDE the limit of liability".
- However, the general terms section (p. 2) of the Gallagher proposal letter says: "defense costs are limited and considered INSIDE the policy limits which means costs incurred...will erode or reduce the limit".
- These seem to contradict each other. Am I misunderstanding something? The defense costs are unlimited on the D&O, but are limited on the Cyber and Professional, which is why the wording has been included.

<image005.png>

I also wanted to confirm about the CFC Technology policy (E&O and Cyber coverage):

- Every coverage section in Quote1.pdf and the Declarations section shows "including costs and expenses"
- For example: "SECTION A: PRODUCTS AND SERVICES LIABILITY - Limit of liability: USD1,000,000 each and every claim, including costs and expenses"
- This appears to confirm that defense costs for the CFC policy are inside the $1M limit and will reduce what's available for damages. Is that correct? You are correct. See response above.

Retroactive Dates

For the CFC Technology policy (E&O and Cyber):

- Both Quote1.pdf and the CFC Declarations section of the Gallagher proposal letter show: "RETROACTIVE DATE(S): Professional Liability: Inception".
- You confirmed we're getting full prior acts coverage with a June 1, 2024 retroactive date.
- I'm confused because I would've thought "Inception" means 10/7/2025, which would leave us with no coverage for the first 16 months of our operations (June 2024 - October 2025).
- Can we change this to "June 1, 2024"? The retroactive date will be full prior acts on each policy. The carriers have agreed to this at time of binding. When binder are issued they will have full prior acts wording. I can request revised quotes if you like, but turnaround may take an additional 2-3 business days to receive.

For the D&O policy (Carolina Casualty):

- Can you confirm the retroactive date is June 1, 2024? This will be full prior acts.

Other Issues

1. Wrong Address on D&O Policy

    - Both Quote.pdf and the Carolina D&O quote section of the Gallagher proposal letter show: 5280 East Calle Vista De Colores, Tucson, AZ 85711

- Our correct address is: 7901 4TH ST N, STE 300, ST PETERSBURG, FL 33702 – This has been provided to the carrier and will be reflected on the issued binder/policy.

2. D&O Declarations Missing?

    - Specimen.pdf references throughout a Declarations page with numbered Items (4, 5, 6, 8, etc.), particularly regarding defense costs in addition to the limit ("as stated in Item 4.B. of the Declarations"). However, I haven't found this Declarations page. Am I missing something? Pages 6-12 are the Declarations

<image007.png>

3. Policy Periods and Inception Dates

    - The D&O quote shows "Policy Period: To Be Determined to To Be Determined" but has an inception date of 10/13/2025. The CFC policy shows an inception date of 10/7/2025. Since we're binding in November (not October), I'm confused about:

        - What will the actual 12-month policy periods be for each policy? Yes, 12 month terms for both polices.

        - Do we only get 11 months of coverage instead of 12 months? Will be a full 12 month term starting from the effective date.

        - If something happened in October before we signed, would it be covered? Covered losses would be eligible under the 'Full Prior Acts'

        - Or is this just how the backdated paperwork works? Correct.

4. Terrorism Coverage

    - Both Quote.pdf and Quote1.pdf (as well as the Gallagher proposal letter) show TRIA terrorism coverage is included/available for $0. We want to confirm we're accepting this coverage. You will be able to select include on the signature form.

I know this is a lot of questions—sorry about that! We really appreciate all your help so far, especially getting us the full prior acts coverage. We're excited to finalize these policies once we get these items clarified. The defense costs and retroactive dates are the most critical ones for us.

Thanks,

Nick

Hi Angie,

Just completed signing the Gallagher Proposal Letter via Adobe Sign; I was now able to see the accept/reject options and signature field. Between that and the Carolina Casualty application I sent earlier, I believe everything is submitted on our end.

Let me know when you're ready for payment and I'll watch for the First Insurance Funding email!

Thanks,
Nick

Hi Angie,

Great, thanks!

I've completed and signed the Gallagher Proposal Letter via Adobe Sign (just received the confirmation).

I've also completed the Carolina Casualty Nonprofit ExecShield Insurance Application (NP-NEWREN-0417) and attached it to this email. A few notes on the application:
- I left the Producer Information section blank for you to fill in (agency name, your name, license number, date)
- I answered "No" to all loss history questions (we have no prior claims or issues)
- I explained in the Additional Space for Responses that we incorporated in April 2025 but began operations in June 2024

I believe that covers:
- Client Authorization to Bind (signed via Adobe Sign)

- Effective Date confirmed (10/13/2025 for D&O, 10/7/2025 for CFC)
- Terrorism coverage accepted (via Adobe Sign)
- Carolina Casualty Application completed (attached)
- No Claims Declaration signed (via Adobe Sign)

Once you have everything you need, I'm ready to complete payment when First Insurance Funding sends the link!

Thanks,
Nick

What I'm asking about are the Carolina D&O Declarations, the one with numbered Items that Specimen.pdf references. Do you have that D&O Declarations page? Or will that only be generated when the binder is issued? (Or did I somehow miss it?)

Subject: Re: Disagree Wisely, Inc_EXDO, PFEO_Insurance Proposal

Hi Angie,

Thanks for sending over all the binding documents and policy forms! I've been reading through everything and I'm confused about several things.

Defense Costs

I'm seeing some seemingly conflicting information about defense costs and I need help understanding what's actually in our policies.

For the D&O policy (Carolina Casualty):

- Both Quote.pdf and the Carolina D&O quote section of the Gallagher proposal letter say: "This quote includes unlimited defense costs OUTSIDE the limit of liability".
- However, the general terms section (p. 2) of the Gallagher proposal letter says: "defense costs are limited and considered INSIDE the policy limits which means costs incurred...will erode or reduce the limit".

- These seem to contradict each other. Am I misunderstanding something? The defense costs are unlimited on the D&O, but are limited on the Cyber and Professional, which is why the wording has been included.

<image005.png>

I also wanted to confirm about the CFC Technology policy (E&O and Cyber coverage):

- Every coverage section in Quote1.pdf and the Declarations section shows "including costs and expenses"
- For example: "SECTION A: PRODUCTS AND SERVICES LIABILITY - Limit of liability: USD1,000,000 each and every claim, including costs and expenses"
- This appears to confirm that defense costs for the CFC policy are inside the $1M limit and will reduce what's available for damages. Is that correct? You are correct. See response above.

Retroactive Dates

For the CFC Technology policy (E&O and Cyber):

- Both Quote1.pdf and the CFC Declarations section of the Gallagher proposal letter show: "RETROACTIVE DATE(S): Professional Liability: Inception".
- You confirmed we're getting full prior acts coverage with a June 1, 2024 retroactive date.
- I'm confused because I would've thought "Inception" means 10/7/2025, which would leave us with no coverage for the first 16 months of our operations (June 2024 - October 2025).
- Can we change this to "June 1, 2024"? The retroactive date will be full prior acts on each policy. The carriers have agreed to this at time of binding. When binder are issued they will have full prior acts wording. I can request revised quotes if you like, but turnaround may take an additional 2-3 business days to receive.

For the D&O policy (Carolina Casualty):

- Can you confirm the retroactive date is June 1, 2024? This will be full prior acts.

Other Issues

1. Wrong Address on D&O Policy

    - Both Quote.pdf and the Carolina D&O quote section of the Gallagher proposal letter show: 5280 East Calle Vista De Colores, Tucson, AZ 85711

    - Our correct address is: 7901 4TH ST N, STE 300, ST PETERSBURG, FL 33702 – This has been provided to the carrier and will be reflected on the issued binder/policy.

2. D&O Declarations Missing?

    - Specimen.pdf references throughout a Declarations page with numbered Items (4, 5, 6, 8, etc.), particularly regarding defense costs in addition to the limit ("as stated in Item 4.B. of the Declarations"). However, I haven't found this Declarations page. Am I missing something? Pages 6-12 are the Declarations

<image007.png>

3. Policy Periods and Inception Dates

- The D&O quote shows "Policy Period: To Be Determined to To Be Determined" but has an inception date of 10/13/2025. The CFC policy shows an inception date of 10/7/2025. Since we're binding in November (not October), I'm confused about:
    - What will the actual 12-month policy periods be for each policy? Yes, 12 month terms for both polices.
    - Do we only get 11 months of coverage instead of 12 months? Will be a full 12 month term starting from the effective date.
    - If something happened in October before we signed, would it be covered? Covered losses would be eligible under the 'Full Prior Acts'
    - Or is this just how the backdated paperwork works? Correct.

4. Terrorism Coverage
    - Both Quote.pdf and Quote1.pdf (as well as the Gallagher proposal letter) show TRIA terrorism coverage is included/available for $0. We want to confirm we're accepting this coverage. You will be able to select include on the signature form.

I know this is a lot of questions—sorry about that! We really appreciate all your help so far, especially getting us the full prior acts coverage. We're excited to finalize these policies once we get these items clarified. The defense costs and retroactive dates are the most critical ones for us.

Thanks,

Nick

Hello Nicholas and Simon,

My apologies for the delay. I have been working through some items with the carrier that I need to review with you now.

The corrected address had been provided to our wholesaler RPS, but was not provided to the carrier until coverage was requested to be bound. The carrier has updated the D&O to reflect the state of FL for rating purposes and this did increase premium. I have been trying to get credits on this to match original pricing but the carrier will not budge.

RPS is able to reduce their fee from $200 to $100, which helps offset the increase a little bit.

The total premium including tax/fees on the D&O has increased from $798.93 to $820.13.

Any over payment to First Insurance Funding will be refunded.

Can you please confirm OK to proceed with the bind for the 11/14/25 effective date?

Thanks,

Hi Angie,

Great, thanks!

I've completed and signed the Gallagher Proposal Letter via Adobe Sign (just received the confirmation).

I've also completed the Carolina Casualty Nonprofit ExecShield Insurance Application (NP-NEWREN-0417) and attached it to this email. A few notes on the application:
- I left the Producer Information section blank for you to fill in (agency name, your name, license number, date)
- I answered "No" to all loss history questions (we have no prior claims or issues)
- I explained in the Additional Space for Responses that we incorporated in April 2025 but began operations in June 2024

I believe that covers:
- Client Authorization to Bind (signed via Adobe Sign)
- Effective Date confirmed (10/13/2025 for D&O, 10/7/2025 for CFC)
- Terrorism coverage accepted (via Adobe Sign)
- Carolina Casualty Application completed (attached)
- No Claims Declaration signed (via Adobe Sign)

Once you have everything you need, I'm ready to complete payment when First Insurance Funding sends the link!

Thanks,
Nick

Hi Angie,

Thanks for all these clarifications!

Quick clarification on the Declarations: the pages 6-12 you mentioned are the CFC Declarations (which I did see). What I'm asking about are the Carolina D&O Declarations, the one with numbered Items that Specimen.pdf references. Do you have that D&O Declarations page? Or will that only be generated when the binder is issued? (Or did I somehow miss it?)

On everything else, we're good to move forward! I understand D&O has defense costs outside the limit and CFC has them inside. I'm comfortable with your confirmation that the binders will show full prior acts (June 1, 2024) for both policies, so no need to request revised quotes.

Thanks,
Nick

Hi Angie,

Thanks for sending over all the binding documents and policy forms! I've been reading through everything and I'm confused about several things.

Defense Costs

I'm seeing some seemingly conflicting information about defense costs and I need help understanding what's actually in our policies.

For the D&O policy (Carolina Casualty):

- Both Quote.pdf and the Carolina D&O quote section of the Gallagher proposal letter say: "This quote includes unlimited defense costs OUTSIDE the limit of liability".
- However, the general terms section (p. 2) of the Gallagher proposal letter says: "defense costs are limited and considered INSIDE the policy limits which means costs incurred...will erode or reduce the limit".
- These seem to contradict each other. Am I misunderstanding something? The defense costs are unlimited on the D&O, but are limited on the Cyber and Professional, which is why the wording has been included.

<image005.png>

I also wanted to confirm about the CFC Technology policy (E&O and Cyber coverage):

- Every coverage section in Quote1.pdf and the Declarations section shows "including costs and expenses"
- For example: "SECTION A: PRODUCTS AND SERVICES LIABILITY - Limit of liability: USD1,000,000 each and every claim, including costs and expenses"
- This appears to confirm that defense costs for the CFC policy are inside the $1M limit and will reduce what's available for damages. Is that correct? You are correct. See response above.

Retroactive Dates

For the CFC Technology policy (E&O and Cyber):

- Both Quote1.pdf and the CFC Declarations section of the Gallagher proposal letter show: "RETROACTIVE DATE(S): Professional Liability: Inception".
- You confirmed we're getting full prior acts coverage with a June 1, 2024 retroactive date.
- I'm confused because I would've thought "Inception" means 10/7/2025, which would leave us with no coverage for the first 16 months of our operations (June 2024 - October 2025).

- Can we change this to "June 1, 2024"? The retroactive date will be full prior acts on each policy. The carriers have agreed to this at time of binding. When binder are issued they will have full prior acts wording. I can request revised quotes if you like, but turnaround may take an additional 2-3 business days to receive.

For the D&O policy (Carolina Casualty):

- Can you confirm the retroactive date is June 1, 2024? This will be full prior acts.

Other Issues

1. Wrong Address on D&O Policy
    - Both Quote.pdf and the Carolina D&O quote section of the Gallagher proposal letter show: 5280 East Calle Vista De Colores, Tucson, AZ 85711
    - Our correct address is: 7901 4TH ST N, STE 300, ST PETERSBURG, FL 33702 – This has been provided to the carrier and will be reflected on the issued binder/policy.
2. D&O Declarations Missing?
    - Specimen.pdf references throughout a Declarations page with numbered Items (4, 5, 6, 8, etc.), particularly regarding defense costs in addition to the limit ("as stated in Item 4.B. of the Declarations"). However, I haven't found this Declarations page. Am I missing something? Pages 6-12 are the Declarations

<image007.png>

3. Policy Periods and Inception Dates
    - The D&O quote shows "Policy Period: To Be Determined to To Be Determined" but has an inception date of 10/13/2025. The CFC policy shows an inception date of 10/7/2025. Since we're binding in November (not October), I'm confused about:
        - What will the actual 12-month policy periods be for each policy? Yes, 12 month terms for both polices.
        - Do we only get 11 months of coverage instead of 12 months? Will be a full 12 month term starting from the effective date.
        - If something happened in October before we signed, would it be covered? Covered losses would be eligible under the 'Full Prior Acts'
        - Or is this just how the backdated paperwork works? Correct.
4. Terrorism Coverage
    - Both Quote.pdf and Quote1.pdf (as well as the Gallagher proposal letter) show TRIA terrorism coverage is included/available for $0. We want to confirm we're accepting this coverage. You will be able to select include on the signature form.

I know this is a lot of questions—sorry about that! We really appreciate all your help so far, especially getting us the full prior acts coverage. We're excited to finalize these policies once we get these items clarified. The defense costs and retroactive dates are the most critical ones for us.

Thanks,

Nick
